

Check list for moving out

Bathroom

- Check the slide bar for stability
- Check if the shower tray has been cleaned
- Check the fittings (washbasin and shower) and the glass dashboards for limescale
- Check if the tiles on the walls and the floor have been cleaned.
- Check if the toilet has been cleaned
- Check if the shower curtain is existing and clean

Kitchen

- Check if the fridge is clean
- Check if the shelves and the boxes of the fridge are without damage (Don't forget the freezer)
- Check if the cupboards are cleaned from the inside and the outside
- Check if the utensil trays in the dashboards are clean

Oven

- Check if the oven has been cleaned from the inside and the outside
- Check if the baking tray and the grill tray are clean

Ceramic hob

- Check if the ceramic hob is clean (look for scratches)
- Be careful: if water enters the hob, there might be a short-circuit.

Kitchen sink

- Check if the sink is clean
- Check if there are any scratches
- Check if there is the plug for the drain

Kitchen countertop

- Check if the countertop is clean
- Check if there are any cuttings or blisters

Bed

- Check if the bedding box is clean
- Check if the slatted frame has any broken slats

- Check if the mattress is clean
We only take clean mattresses (without any stains). Renters are responsible for the disposal of the mattress if it is dirty. Otherwise we will charge you with 70 € for the disposal.

Desk

- Check if the desk is clean
- Check if there are any scratches, cutting in the desktop
- Check if the table-leg of the desk is stable

Wardrobe

- Check if the wardrobe has been cleaned from the inside and the outside (including the mirrors)
- Check if there are any scratches in the front of the wardrobe
- Check if all the shelves are clean

Floor

- Check if the floor is clean
- If there are any scratches or damages in the floor, please document them
- Check if the bottom lath is clean

Stool and dining table

- All apartments have one single grey stool (respectively bedside table)
- The larger apartments have one grey dining table
- Check if the lamp is working

There have to be one FRITZ!Box and one automatic venting system in every room.
